MEET OUR CHAPLAIN

Sister Ellen Kraft, SJH

I belong to the Sisters of Jesus Our Hope, a closely-knit Community of Religious Sisters whose mission is to bring hope in Jesus Christ, the Son of God, and to lead others to know Jesus as their hope. Life has been exciting since I joined the Sisters! I studied at the Franciscan U. of Steubenville, graduated with a Bachelor of Science in Education, taught pre-school, Kindergarten, and 2nd Grade, and was sent to World Youth Days in Rome and Toronto. Like Jesus, I live a life of obedient love, and I am thrilled that the Good Lord has sent me to serve you here at The Catholic Center.

Some background: My family still lives in Ottawa, Ontario, Canada, where I was born and raised. I am the eldest of four, a nicely balanced mix of two boys and two girls. I enjoyed singing in a variety of choirs, taking ballroom dancing lessons, reading, horseback riding, canoeing, hiking, skiing, and traveling. Since my dad had his own business in prosthetics and orthotics, that was the field I entered. My college years at the George Brown College of Applied Arts and Technology in Toronto, Ontario were my first years *really* away from home. I made many friends, and did many things. I did go to Mass every Sunday, but only so that I could truthfully tell my mom that I had. A relationship with God was not high on my list of priorities.

When I returned to Ottawa, I began working for my father and looking for "the God of my youth". I realized that while the world that God had created was wonderful, beautiful and so exciting to live in, it really was rather empty without Him. One Friday evening, after attending an evening Mass, I followed the sound of music, and discovered a large group of young people singing religious songs. Many of them were really good-looking young men, and since I was planning on getting married and having 12 children, I joined the group because of the prospect of finding a good, Catholic husband. They called themselves the "Prayer & Share" group, so, besides getting to know some very fine and holy young men (and young women), through them and with them I also came to know and love Jesus in a very real and personal way.

Now I am a (very happy and content!) Sister of Jesus Our Hope, and if you want to know how *that* happened, come and ask me. I love to tell the story!

TAIZE PRAYER SERVICE
Thursday, November 19, 2008
8:00 pm, St. Peter's Church

Prayer in the spirit of the Taize Community is a meditative form of

common prayer. Gathered in the presence of Christ, we sing uncomplicated, repetitive songs, uncluttered by too many words, allowing the mystery of God to become tangible through the beauty of simplicity. A few words sung over and over again reinforce the meditative quality of prayer. They express a basic reality of faith that can quickly be grasped by the intellect and that gradually penetrates the heart and the whole being. Come join us at St. Peter's Church. The basic format will be 20 minutes of song and prayer, 15 minutes of silent contemplation before the Blessed Sacrament, followed by another 20 minutes of song and prayer. For more information about Taize, contact Senia, senia@rutgers.edu.
